MAGAZINE

I AM QUEEN Magazine was established October 2016 by Elle Clarke. The mission of this magazine is to help women embrace who they are while cultivating their God-given gifts. In a short time I AM QUEEN Magazine has become an International Magazine and is being read in about 10 countries spanning from the Caribbean to the United Kingdom.

Join I AM QUEEN Magazine's Referral Program TODAY !

Here's how it works:

Refer Entrepreneurs, Smalls Businesses and Brands to advertise with us and receive **50%** from every **PAID** referral immediately via **PAYPAL**.

Ads can be in the form of an Interview, Traditional AD or a Profile Piece.

All you do is email or show a copy of our media kit to your prospects, once they are interested they would email us at hello@iamqueenmagazine.com for any questions and for payment. They must mention you as their referral partner so that you can be paid.

Our print issue is released October 2019. The Ad payment DOES NOT INCLUDE A COPY OF THE MAGAZINE, that would have to be purchased separately (we are working on the printed cost now).
